

## Group Mission Trips

Use your gifts, be a blessing to others, see God at work, and be blessed by serving disaster survivors on a short-term mission trip with World Renew Disaster Response Services (DRS).

### Restoring Hope and Homes

Many people need help after disasters, and many want to help those who need it. World Renew works closely with communities in North America that have experienced significant disasters, helping them rebuild, largely through volunteers like you! The result is that poor, elderly, and disabled people receive help, as well as encouragement and hope, in the Name of Christ.

### Who Can Go?

Whether your group is made up of highly-skilled adults, energetic youth, or from a church, family, school, or business, we will be happy to find a great opportunity for you to serve.

### What Group Volunteers Are Saying

“Our group devotions and discussions between the young and the old were enriching and Spirit filled.”

“I loved learning new construction skills.”

“Talking with the homeowner and hearing her testimony of praise to God throughout the disaster helped strengthen my relationship with Him.”
