DO A WORLD OF GOOD

When you select items from the *2015-2016 Gift Catalog*, you accomplish several things that do a great deal of good in your life and in the lives of those who live in poverty.

FIRST, IT'S POWERFUL. Your support for World Renew is powerful—and it's God's power. He has overcome sin and death through Jesus Christ and is reconciling all things to Himself. God graciously includes us in this ongoing mission of reconciliation and in response to His grace and mercy, we offer Him the sacrifice of praise.

SECOND, IT'S FUN! You may be picking out Christmas gifts with your grandkids, helping school-aged children to choose ways to donate their offerings, or honoring someone special with a gift to World Renew. As you do, you build relationships with your friends and loved ones over shared concerns like poverty, hunger, and justice.

THIRD, IT'S MEANINGFUL. The help that World Renew provides to people who live in poverty through the gifts you give is practical and appropriate. Our approach is based on sound biblical principles, is efficient and effective, and shaped by what people who live in poverty tell us about their needs and resources. That approach is why our programs work in some of the poorest communities on earth.

Hebrews 13:16 says that a life of gratitude to God includes doing good in this world. When you share with others through World Renew, you can be sure that your gifts are addressing some of our most challenging global issues in God-honoring and people-honoring ways. Doing acts of goodness through World Renew makes a great deal of difference—in this world and the next—moving people who live with scarcity and oppression towards the fullness that God intends.

Thank you for bringing the sacrifice of praise. When you give through World Renew's *2015-2016 Gift Catalog*, you do a world of good—making God's love visible among those who live in hunger and poverty.

THROUGH JESUS, THEREFORE, LET US CONTINUALLY OFFER TO GOD A SACRIFICE OF PRAISE—THE FRUIT OF LIPS THAT OPENLY PROFESS HIS NAME. AND DO NOT FORGET TO DO GOOD AND TO SHARE WITH OTHERS, FOR WITH SUCH SACRIFICES GOD IS PLEASED. —HEBREWS 13:16

MDGs to SDGs in 2016

The Millennium Development Goals (MDGs) were established by the United Nations in 2000 as a way for countries to work together towards eliminating extreme global poverty by the end of 2015. In that time, a great amount of progress has been made on attaining these eight goals—progress that includes the contributions of World Renew and is fueled by your gifts, prayers, and involvement.

As people who demonstrate their love for Christ through compassion and justice for others, we know that more needs to be done to give people who live in poverty today the opportunity to overcome the barriers that keep them powerless, voiceless, and vulnerable. In 2016, UN member states are pinpointing 17 specific objectives called the Sustainable Development Goals (SDGs), and World Renew's work contributes to these goals as well. Find out more at worldrenew.net.

What Does the Maple Leaf Mean?

The maple leaf symbol indicates an item that will help your ministry dollars go farther through a match from the Canadian Department of Foreign Affairs, Trade, and Development. When you choose a catalog item marked with a maple leaf, your contribution is directed to a specific World Renew program with DFATD. DFATD then matches your donation 3:1 to make even more ministry possible.

SHEEP

GUATEMALA 🇺🇸 🇬🇪

\$78

505576

Do you know that one sheep's wool can weigh 10 pounds (4 Kg)? Wool is important for families in Guatemala. The weather is cool in the mountains, and families make clothing from wool to keep warm. And, when a mama sheep or ewe births a lamb, it can be sold for income or kept to build the flock.

DUCK

MALAWI 🇺🇸 🇬🇪

\$12

505810

Quack! Quack! Make way for ducks in Malawi! Eating duck eggs helps children grow strong, and duck meat gives families protein to eat to stay healthy. Families who raise ducks can also sell them. They use the money they earn to buy things like soap, shoes, and medicine. Waddle you do to help someone by giving a duck?

RABBIT

INTERNATIONAL 🇺🇸 🇬🇪

\$30

505811

Rabbits are good at math—they know how to multiply! Baby bunnies are cute to cuddle and a great way for families who are poor to earn income. One mama rabbit (or doe) can have 36 babies in just one year. When you give a rabbit, it helps a family in a hurry!

CALF

INTERNATIONAL 🌍 🐄

\$108
505287

Giving a calf is m-o-o-hvelous! A calf can change the whole future of a family that lives in poverty. World Renew teaches families how to keep calves healthy. A grown cow can live 10 or 20 years, providing milk to drink and sell. When a cow has a calf of its own, the family can sell it for income or keep it to build up their herd. Where's the beef? Right here—when you give a calf from World Renew!

PIG

INTERNATIONAL 🌍 🐷

\$174
505668

Give a family in Cambodia, Guatemala, India, or Malawi a piggy bank! Raising a pig is like putting money in the bank: as the pig grows so does its value. A pig provides nutritious pork to eat and sell. When a mama pig or sow has babies of her own, they can be kept to build up the family's herd or sold for money for their piggy bank!

**BEST

PROTECTIVE GEAR FOR BEEKEEPERS

UGANDA   

\$84

505818

**FREE A
FAMILY®**

FREE A FAMILY®

INTERNATIONAL 🇺🇸 🌍

\$22
a month

One of the best gifts that you can give to a family living in poverty is the opportunity to develop the skills they need to improve their lives. *Free A Family®* creates a better future for people in need now—and for generations to come.

- Free A Family® is cost effective. By featuring a representative family from one of five regions of the world, the Free A Family® program keeps administrative costs down. The result is that more of your donation goes where you intend—to help people in need. Isn't that why you give?
- Free A Family® is fair. World Renew works with entire families, not just one individual, to increase access to nutritious food, clean water, improved health care, and better income in the communities where we work. That's because change that is truly sustainable happens when all family members benefit.

- Free A Family® keeps the big picture in mind. World Renew works through churches and Christian organizations who reach out to those in need in their own communities with improved agriculture, health, nutrition, literacy, income generation, and spiritual development. This integrated, community-based approach works because it addresses the root causes of poverty and makes transformation possible for those who come into contact with it.

As a Free A Family® supporter, you will receive quarterly updates about a representative family in one of five regions of the world that you choose. For just \$22 a month or \$264 a year, you can support families by giving them the chance to lift themselves out of poverty today, and look forward to a future with hope.
